GLOSSARY

[View Full Glossary](#)

- **Curbstoning**

A curbstoner is a person who purchases vehicles at volumes that require a dealer license and then poses as a private seller to sell to unsuspecting buyers for a large profit. Curbstoning is illegal in most States. CARFAX analyzes a vehicle's history for specific events to determine if a vehicle is potentially at risk for curbstoning. For instance, a vehicle that has been sold at auction but not issued a new title during a given period of time. Please see the [CARFAX Curbstoning Tips](#) for other ways to identify a potential curbstoner.

- **First Owner**

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

- **New Owner Reported**

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

- **Ownership History**

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1994 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

- **Title Issued**

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
